## The trailer for the professional all-rounder

The SARIS Tipper is ideal for larger, heavier jobs. From construction, demolition and garden waste, to sand, stones and machines - there is no task too difficult for this all-rounder. Loading goods is easy thanks to its large, flat loading surface and collapsible and removable side walls. The electric tipping option of this trailer makes unloading bulk materials a breeze. With aluminium walls and steel floors all around, your SARIS Tipper can be cleaned in no time, making it a powerful partner in your everyday work.

The SARIS Tipper trailer has been specially developed and tested for use by skilled professionals. The one-piece top frame completely welded by robots makes it indestructible. Thanks to the unique features offered by the options and accessories, the SARIS tipper trailer is suitable for any purpose and user. Professionals can rely on the SARIS Tipper to keep them working day in and day out.
